

Presly R. Carr
B.Sc. Candidate in Geology
B.Sc. Finance
Department of Earth and Atmospheric Sciences, University of Houston
preslycarr@gmail.com • (832) 385-5894 • Houston, TX

Objective

To obtain a petroleum geologist internship or full time position.

Profile

Self-driven geologist with demonstrated ability to work in teams with minimal supervision and effectively communicate with individuals of various backgrounds and education levels with changing priorities.

Education

University of Houston, Houston, TX Expected 2018
Bachelor of Science in Geology

University of Houston-Clear Lake, Houston, TX 2009
Bachelor of Science in Finance

Experience

Caribbean Basins, Tectonics & Hydrocarbons (CBTH) Consortium January 2017 to Present
Research Assistant, University of Houston, Houston, TX

- Expanding of geographically-based geological data in the CBTH GIS data
- Researching Ocean Anoxic Events and relating it to global hydrocarbon potential

Presentations

University of Houston Student Research Day May 2017
Stratigraphic thickness, total organic carbon values, and source rock types produced by ocean anoxic events on Atlantic and Gulf of Mexico passive margins (Poster)

Industry-Rice Earth Science Symposia February 2017
Mapping the distribution and thickness of OAE1 and OAE2 source rock intervals on Cretaceous passive plate margins of the Atlantic, Gulf of Mexico, and Caribbean (Poster)

Skills

ArcGIS, Adobe Photoshop, Petrel, Microsoft Office, QuickBooks, BLS certified, OSHA

Field Experience and Education

Mapping Big Bend National Park, Mapping Pedernales State Park, Central Texas geology, Slaughter Gap geology, Mapping Inks Lake State Park, Enchanted Rock State Park geology, Canyon Lake Gorge geology, Field Work on Active Faults in Houston, Mineralogy, Geologic Field Methods, Petrography, Stratigraphy, Structural Geology, Earthquakes, GAAP Accounting Principles, Financial Accounting, Cost Accounting

Awards

Houston Gem and Mineral Society Scholarship 2016

Professional Memberships

Society of Exploration Geophysicists, Houston Gem and Mineral Society, UH GeoSociety (Officer 2015), Houston Geological Society
